React / CSS

EXPERIENCE

FULL STACK WEB DEVELOPER

LEARN Academy | Jun 2019 - Present

Completed over 480 hours of full-stack web development utilizing HTML, CSS, Javascript, React, Ruby on Rails, PostgreSQL, and pair programming. Built several programs implementing test driven development from applying the knowledge learned throughout the bootcamp.

STUDENT FINANCE ADVISOR

National University | Feb 2019 - May 2019

Responsible for advising students regarding eligibility criteria and application procedures for all available federal, state, and institutional financial aid programs. Introduced financial resources available to students in a positive and professional manner while complying with federal, state, and institutional guidelines.

AIRCRAFT MECHANIC

AECOM | Mar 2017 - May 2017

Performed pre/post-operational checks, fueling and operation of support equipment; to include conditional/scheduled inspections and periodic maintenance. Provided aircraft movement/direction, fire guard services during ground and flight operations.

FORKLIFT OPERATOR

IKEA | Jul 2015 - Dec 2016

Handled goods, e.g. unloaded, internal transportation in the store, replenished stock, picked goods from the warehouse for handing out to customers, using the correct equipment in a safe and efficient way to minimize damage to stock and equipment.

AVIATION MACHINIST MATE (HELICOPTER MECHANIC)

U.S. Navy | Oct 2011 - Aug 2015

Operated, maintained, and repaired turbine engines, fuel systems, and main transmission equipment of assigned aircraft. Performed maintenance related administrative functions such as inventory, maintaining up to date publications, ordering supplies, and completing required reports. Worked effectively in groups with diverse team members.
